VOICE OF GOD:

Look at all the exclusive colours in his deluxe all luxurious special fx curry and the powerful-list wizid is a most powerful wizid. The all-powerful-list wizard.

Visuals of the following..

New scenic pictures of the original so Picturesque 'Real Merlin' in his light blue costume and pointed wizard hat. Its hat tip flashes red blue green and yellow and then is tinted to gold and silver.. Of course, in my movie script here the pointed hat and gown also displays knowledges of the art and the movie arts and new evidence invents of the business schematic plus has silver moons plus golden suns throughout the tale.. Also with a red hearts costume trim outfit futuristic dressed up action presentation and star constellations of the entire universe stitched within it.. Also with the screen rotating clockwise 180 degrees onto his back flashing letters A through to Z rotates again to the front.

WRITERS NARRATION OF THE GHOST

Tuck in curry time and look mate these works aint f*cking Green Merlin they're Merlinus Dominus Saturn-us and heavenly magical enchantments professional pro power Smack Wizard and mystical.

SCENE 2:

MERLIN

Firstly, oblivion eyes in a 1 to 10 text script curry-list cooked-up hot strong and winning today writing on this fiery date of creation the skilled writing lightning conception original formula was supernaturally manifested and the summer completed plus back whipped then hotter in parts it was brought down thought from a truly wholesome treasures worth of holy eons of time... This is so hot Sunny Shine Industry from thy enchanter' pen definitely containing knowledges of the art.

HOLY GHOST

Plus calling up the ultimate Bad Rude Boy demon murderer and continuing the ultra-vault evident patent plus brilliance of the spirit and establishment plus the making of something from nothing inventions from the Christmas Selection Box that is better than mysticism and even dreamlike bigger than thy paranormal demands the constructor.

Visuals of the fat Dutch boy scoffing a Christmas Selection Box.

DUTCH BOY

Yes, that's clicking right.

EXT.

Now the following text and visual of the.

The Garden Of Eden. Evidential innovator... Writing the emblematic symbolic arts fairy-tale like in evidence very pretty unto the were a beyond eternities worth of ink treats concerning the nearly completely little invisible force. The prompter thought from him was of the ancient garden over my back and it is the resting place of the dead. Merlin and the better standing ranking angel magic original wizards not the she Devil wicked heathen bitch angle nor any of the cursed silly little magical nick broomstick boy/s. Merl' back turns right again spelt out letters as before I.A.I.N. I.N.N.E.S.

Scene Continues...

Picture the evil little puppet play power man with the potato sack over his little head... The sack is now produced in brighter introducing inferno flames on fire to reveal him with bigger hands from before with a later day glance he shows off his tropical black grey streaky side over hair parting tucking into his take out triple fast food curry tray in numbers of 3 in

completeness a mushroom curry #3 on the menu. Plus, then spelt out a 'number 3' he eats with a moonlit striking spoon the glamorous exotic writing mushrooms in shapes of #3's from the constellation as explained before by 'The Son Of Death' movie film... Also Known As God The Father Inspired By My Father's Father movie film.

Continued visuals...

Speaking from within the... Plus within an altogether different area trance sub-conscious zone stance his hot curry powder curry inner his triangular link up format shaped invention stomach alembic projecting out onto the TV then up the cable/s to the satellite connecting to all world television satellites then back down broadcasts across all networks onto every person' turned off televisions via wire that sleep whilst those folks have terrible sweating nightmares and tap about it too. Most definitely then on every waking person's TV broadcasted are the nightmares of him from as big as a pylon film \$cript from the dreams of each and every one in the universe not just earth each only lasting seconds... Playing for hours as a series of serious adverts on his television from up there plus new big constellations absolutely puck-a he thought... They're swinging from TV, speaker and broadband wires around their necks from

his roof rafters and he don't even have to get up from his chair whilst he laughs watching that for hours. That is meant to be just a short extract lasting 1 minute on a 10 X 10 grid screen. O' plus the slick old rat bag had all the black and white classics recorded on VCR plus had all that bit recording on VCR to save it for later to show his pals that were dead under the ground he sung. Then all the new heavenly creatures sang it forevermore jonny show and prayer and nightmare years.

Fades out to 4 different curries in a ¼ transition.

SCENE 3:

The following is spelt out black on white scrolling from right to left at the foot of the screen. The following visual of the text...

'Regarding the man who just isn't lumping any of this. Whom is not a demon nor a baddie villain and the battle again took place verses the Karma Man. The unaware ignorance is bliss vibes of the magical leppers the mind crap rubbish from the drunkards

and many other young quick zip fart blow off boys full of lies
and puss Iain.'

The following curry monster text in a dead and curry gurgling
plus computerized tone. Plus sounding Indian-ish..

CURRY MONSTER

I'll say it for him man. It's him the
exceptional curry monster pal that'll
bang you up in the air like a red-hot
curry bomb blast ya vile little fat pub
man cunt. Loud Semtex snapping noise to
bang you've all been curried pal. Your
always been dead pub is getting bombed
in a film mate have a nice flicking ?ell
fella! Get your f*cking tit back inside
the pub pal and you, you're the one to
laugh at ya f*cking clowns. Oi oi! Thick
flared little scruffy female slag with
the dumb runt action and very big tit

the writer concentrate E be careful how
you even write it MR. It might come for
you and your reader viewer. Carefully
now the Curry Monster is out to get...
Curry you. Son there was a once a man
who ate so many curries...

Visuals of God' gut representing the digestion of his universe.
Vessel and my alchemia. God points his finger to the
constellation of the curry monster. The entire universal stars
amass together spelling out the following text joined up writing
from the pen of God plus the Milky Way in alignment with the
sun as foretold.

GOD AND HIS WORDS

I mean he ate curry after curry so many so that after a lifetime era of eating this curried delicacy he turned into a most powerful of curries. This Allah geezer was a f*cking ugly monster he was ugly plus I was triple strength of curry powder hot. I invented the curry monster pal he had the same powers English guy as the Curry Bogeyman mate. Bearing in mind a lot of my power itself came from the curry at the beginning and this booster is still magically happening today I am the vessel of curry belly curry vessel... Hot powder. + the pro eye was on top of the temple. + the curried spider grail following is over flowing of the spider cook up with the art all 8 eyes Merlor and the rest of the 99% unknown to man supernatural dark occult forces. The heathen wicked witch yields in pain. Channel full stop.

Light's his cigarette.

Clean cut to.

SCENE 11:

MR. Jiain is speaking plus playing the following text music
score exactly the way it is written Grand Piano then Church
organ at huge cathedral from 'The Holy Bible' Alphabet style
left to right ABCDEFGHIJKLMNOPQRSTUVWXYZ1234567890

MR JIAIN

And now the malevolent power only yin demon and the pro elixir vitae evil spirit and the infernal magician bringeth the special FX lines through the chasm via the hot curry powder pot information shamanic cubicle the bellied golden wins of coined incorporation a better vivid side... O' brilliantly drenched in the intelligence of a sunlit day if one could hear picture visualize thy musical merger music also to his almighty words. Let him spell it out exactly the way it is meant. The Holy Bible New International Version. So the tale of the music score is as follows... Genesis. The Beginning. 1. In The beginning God created the heavens and the earth. 2. Now the earth was formless and empty, darkness was over the deep, and the spirit of God was hovering over the waters. 3. And God said "Let there be light," and there was light. 4. God saw that the light was good, and he separated the light from the darkness. 5. God called the light "day" and the Darkness he called "night". And there

was evening and, there was morning the
first day.

IN UNISON, THE NARRATION COMMENTATOR PLUS MR JIAIN

The sun has risen and it is the time to
make that music. I second that God then
following in melody the second day of
blessed fonts of creation A to Z letter
configurations musical scores
inventions of thy musical mate. Well,
it's a big book yes, + I've completed
perfecting the play of the 1st page okay
it is a decent film.

Cuts then fades in from white black and white.

SCENE 12:

Description.

Plus, now introducing a slightly lighter side of the spiritual entity Death/today fictional big man Death in money dress kit attire. Commentary of Deaths mate's speech visual.

DEATH' MATE

Wow hiya Honey the Money Monster is running faster up the road of death in kit flashing the movie colours red blue green yellow doing a flying header to ball... Scoring a goal. Yep yep yep most definitely yep and what a fantastic goal. Then tons upon tons of fiction flesh drops/rains from the sky. Plus... Tons and tons of angel magic flesh reigns down from the skies he's got some muscle that God bloke this is also upon a time plus the realistic skills displayed are one' that lasted for many eons.

Now it definitely cuts to pictures of MR. Jain the brat with a moustache as dictator similar to pixelated Ad*lf H*tler beaped out on a digital bust invention plinth with TV screen capture.

Lots of censored N*zi symbols, website logo' and newspaper headlines on flags huge crowds shouting and wild eyes plus hands clapping and fists thumping up into the air aggressively cuts to wind-swept streets then MR. Jiain happily booting bin trash cans up into the air.

MR JIAIN

Not to light hearted then yeah. Plus
look at that mess. Look what you made me
do you rat.

With a transition of an eye movie/flick book moving around clockwise around the earth/globe... Suddenly stopping at north position point with black hands of the clock telling 10 to 2.

Now sequences of technical schematic images of clockwork automation playing through the writer' all in one clockwork automation display device hand edition and light fitting portfolio additions lasting 1 minute.

SCENE 13:

Plus was a mad man made via the best written beating thunder sticks true alphabetical. He lives again.

SCENE 17:

INT.

MR. JIAIN'S NARRATION

More spider.

Plus, as it reads...

The man, he walked into the hot f*cking enough Cambodian delicatessen big spider please oh that's right Englishman a big baked spider. That's right I went there for a big baking spider drenched in cognac. He got it home his wife said quick eat it before it eats you. It was real nasty looking thing in fact it was grim. A fine specimen by the writer looking at this thing he took a big bite mmm she's so jealous when I treat myself to a spider give us a bit she asked him. Take a leg. Delicious as a snack on its own merit. She said husband you got me feeling like a big baked spider. Money was so tight like her fanny so he gave her the paper bag to eat which was flavoured with the whisky cognac.

Then cuts to a glass of scotch being poured from a 'very posh' decanter.

SCENE 18:

Again, as it reads...

EXT.

I've spoken of eating monkey's before, more monkey that's right just over here they'll let you buy one. No! No. Go away she tried to cover up her selection of freshly caught bush meats no wait miss dollar the hag saw they were holding currency look dollar's money ok. She spoke again to her ugly looking foreign fellas in her foreign language. 2, 2 he lifted his 2 fingers up she took the cover back away to reveal some small monkeys which had been very inhumanely caught in snare traps. There were also some dead paradise birds that one and that one I weren't f*cking about we aint haggling and I paid \$5. United States buck dollars per head O' monkey here + \$2. For the small bird. He went home to his guides mud hut cooked butchered 1 of the monkey's stuck in a pot of baking hot water nothing of the animal was spared in fact it a fed his whole family that evening consisting of 6 ugly children his wife and us both. I said before they served wait a second and sprinkled a lot of that stuff the Chinese add to their cooking to make it taste nice... Aye that'll make it taste better I said to him. The man nodded yes... I then went home the very next day and I wrote him a bit of yellow fever mate. Plus I'd had my jabs plus I'll try nearly anything once or twice.

SCENE 19:

EXT.

Visuals of the Milky Way moving into alignment with the sun ever so closer, closer... Plus with the audio of a clock ticking.

THE DEVIL

Iain it's moving into alignment... Plus
will again.

SCENE 20:

Narration of this text visuals.

NARRATION

Cuts to The *evil with f*cking great
good looking horns and snakes writhing

in his hair his eyes glow red then flash quickly brilliantly red awesomeness and he twists his forked tongue points to the pyramidal eye then screen turns 180 degrees clockwise to visualize God doing the same head snakes even most more terrifyingly writhing absolutely twisting and writhing thrashing about around his hair with his eyes a flashing brilliant lights of gold and silver looking his at the pyramid eye it then explodes. Making a sound so loud as 2 galaxies colliding plus the pyramid crumbles to power powder !

SCENE 21:

EXT.

Now the family brothers were in the night time graveyard practising the ouija boarding alive of skeletons again and look we aint given him permission to write it. We can still do it today... This one raises up quicker than lightning again... It started talking secret knowledges of the arts the darkest kind.

The camera is trained at the reflection angle from one brother' eye at the talking raised skeleton viewed by the other brother and back to the coffin area raised dead.

SCENE 22:

EXT.

Spins into another Cemetery fictional one this time.

Description as it reads please plus for that length narrated wisely by MR. Jiain.

MR JIAIN'S WISE NARRATION

So viable are the new lines... Of the grave gravel haunting. The piece of gravel flicked from under his boot, the type that pings up onto a car. It followed him everywhere oh sh*t there it is again... On the table for another example, on my keyboard keys look gravel can you

see it hear it inside the DVD player now clicking time will tell. Let me put it to you this way if it isn't or any of this better IP Intellectual Properties eventually someday soon the all-powerful magical grave gravel scene movie scene going down will be on all those people's graves turning... Truly to an ace hand vital evil spirit lethal large fanged f*cker spider a brutal big biting bugger muscular variety robbing you of your souls through to limbo the horned maniacal poison has no mercy when asked. The snakes and the boiled water pit in eternal Hℓll where you shall have every one of your throats sl*t or even slotted into place. Your mortal shell shall be forever in your casket cursed, you conclusively will be gone sent on to one likened to no other Hℓll imaginable with the noise of a guillotined head dropping into a waste paper basket vibes wow special FX... Just as you're falling asleep now not even ceasing to exist in negative or positive energy the black magic beast awaits.

SCENE 23:

INT.

The now secret Bogeyman is eating his dinner with his face pixelated. When audience members try squinting one' eye to come look see the pixelated trick of the eye face display changes from several faces that shaped history graphics. Knowing it the Bogeyman/men astral projection is the narration to audio whilst the text here scrolls from the bottom to top of course in gold writing onto a blue background on his TV screen.

THE BOGEYMAN/PIXELATED MEN

Another film important notice innovation example. The exact day I reclaimed my soul back from The pact *evil... The *evil is on The Mayan Doomsday 21st December 2012. Which nudges my memory shaman? Money remember Iain. You better pray for your souls he gets his money before then fellas. This man is part of every

Doomsday and Arts Thou True.
Additionally, as many wondrous other
realisations. Then I'll be going to
heaven can you say the same about
yourselves. Stop business thieves and
think... Plus, at the 1st stage phase I was
a little invisible force in the Mayan
veg garden as well. Right in the middle
of the jungle at the foot of the
ceremonial pyramid mountain cutting
peoples blessing heads off in more
mysterious ways through all of its 5
earthly ages to the end and to the death,
and... On this very even-handed day of
sword fights and magical rites, beyond
the death grave plus the Armageddon pal.

SCENE 24:

Visuals of MR. JIAIN'S NARRATION...

MR. JIAIN'S NARRATION

Cuts to a vast near infinitely dark unfathomable enigmatic weather system condition of storm clouds backed up by 7 seconds of interstellar very heavy rain volley' throughout the all-inclusive universe including all space between the planets and stars... Then followed the breaking of a new day magnificent and resplendent in sunshine plus the vessel phoenix arises from the fermented Pontic Water and... It was then administrated by him in the 4th degree allowing the old to become young again of skin, hair and bone also the metals leprosy was cured today factually observed with success plus written fruitfully and special FX.

SCENE 25:

THE WRITERS FINALE COIN/THE BOGEYMAN

The end. Now I'm off to battle the powers of the unknown, the occult dark forces

for his movie via the witch crafting era
hour through the power void accurate
oblivion eyes event and all verses the
+ thy supernatural rhythm zone shall
receive a double magical sword swish
slashing of the throats including but of
course not limited to the all Wart'd
witch, the demon *evil and many more
night priests that sh*t through the
night. O' here's the bonus bit... The "O"
mega coining plus it's coming, the
coming age of Aquarius. See that halo.
That's mine. This was the breath-taking
mind-blowing splendid stunning out of
this world production invention.

GOD

... And a most important announcement from
the author type please... The mighty
lightning phantasm again appeared before
